Pediatrics for the Practitioner

JUNE 9-11, 2017

If you receive more than one brochure or cannot attend, please pass this along to a colleague!

SAVE THE DATE FOR 2018!

55th Annual Teaching Conference:
 Pediatrics for the Practitioner
 June 8-10, 2018

JUNE 9-11, 2017

Hyatt Regency Hill Country Resort & Spa San Antonio, Texas Fifty-fourth Annual Teaching Conference

San Antonio

San Antonio offers a rich variety of dining, entertainment, and shopping along the beautiful Riverwalk. The Mexican Market/ Mercado, bustles with people, products and outdoor restaurants that give San Antonio much of its unique style. Nearby, tile adobe dwellings of historic La Villita serve as homes for artists, galleries and restaurants. The River Center Mall, featuring the IMAX Theater, is a visual delight with whimsical-to-elegant shops overlooking the Riverwalk. Within walking distance is HemisFair Plaza, site of the 1968 World's Fair, and a beautiful 12-acre waterfall park surrounding the Tower of the Americas. San Antonio is home to two major theme parks - Sea World San Antonio, the world's largest marine life park, and Six Flags Fiesta Texas, the town built just for fun! Sea World San Antonio is located northwest of downtown and offers shows, exhibitions, entertainment and education. It is open each day during the summer season. Six Flags Fiesta Texas, also located in the northwest part of San Antonio, is a theme and water park that celebrates the spirit of Texas with non-stop music, rides, dancing and unique entertainment for the entire family and is only about 10 minutes away from the Resort. Consider combining the opportunity of attending this excellent continuing medical education conference with a family vacation in San Antonio!

Hotel Information

A block of rooms has been reserved at the Hyatt Regency Hill Country Resort & Spa. Set in the Texas Hill Country, only 20-minutes from San Antonio International Airport, on 200 acres of oak-covered rolling terrain, it is a destination resort hotel which is casually elegant, both indoors and out. The hotel is just a short drive from downtown San Antonio with its famed Riverwalk, historic La Villita and the bustling Market Square. The Hyatt Regency Hill Country Resort & Spa is located minutes from Sea World San Antonio and Six Flags Fiesta Texas theme parks. It offers a wide selection of activities for the entire family.

Please make your reservations directly with the hotel. Be sure to state that you are attending the "Pediatrics for the Practitioner" conference to qualify for the special rate of (\$230.00 plus tax) for single or double accommodations per room night. Reservations may also be made online using this link: <http://cme.uthsca.edu/peds2017.asp> These rooms will be held for conference attendees until May 18, 2017. After that date, the availability of rooms and conference rates cannot be guaranteed.

The American Academy of Physician Assistants (AAPA), American Academy of Nurse Practitioners (AANP) and the American Nurses Credentialing Center (ANCC) accepts certificates of attendance for educational activities certified for AMA PRA Category 1 Credits™ from organizations accredited by the ACCME.

Course Description
 This program is designed to provide new information and skills for the physician, advanced practice nurse, and healthcare provider who treat children. The format of the course is varied including lectures, question and answer sessions, informal luncheon seminars and workshops on selected topics, with the opportunity for registrant participation.

Conference Goals
 1. Provide a series of presentations by distinguished guest faculty specializing in the fields of Pediatric Orthopaedics, Pediatric Endocrinology, and Business of Medical Practice.
 2. Provide the physician, advanced practice nurse, and healthcare provider who treat children with current practical information dealing with the procedures that may be useful in their general practice.
 3. Provide pediatric-specific updates in the fields of: Adolescent Medicine; Child Abuse; Complementary and Alternative Medicine; Dentistry; Dermatology; Behavioral and Developmental Pediatrics; Gastroenterology; Infectious Diseases; Neonatology; Neurology; Obesity; and Pediatric Psychiatry.
