The 42nd Annual Symposium on Sports Medicine is designed for physicians, physician assistants, physical therapists, nurses, athletic trainers and coaches.

LEARNING OBJECTIVES
- Develop a concept of one’s position on a Sports Medicine Team.
- Diagnose commonly occurring injuries and advise athletes regarding their healthcare.
- Initiate logical primary treatment following injuries to athletes.
- Develop logical approaches to the prevention of injury by condition and utilization of proper protective equipment.

CPR RECERTIFICATION
- A recertification course in cardiopulmonary resuscitation (CPR) will be held on Thursday, January 22, 2015. Please note that this is a recertification course for those who have previously been certified in CPR. Separate registration is required for this workshop, which is available for an additional fee. See registration form or our Web site (http://cme.uthscsa.edu/sportsmedicine2015.asp) for details.

CONTINUING EDUCATION STATEMENTS

CME
- The UT Health Science Center San Antonio School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. The UT Health Science Center San Antonio School of Medicine designates this live activity for a maximum of 14 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
- PT and PTA: Application has been made to the Texas Physical Therapy Association for continuing education for PTs and PTAs.
- AIC: The University of Texas Health Science Center San Antonio (P697) is recognized by the Board of Certification, Inc., to offer 1.5 hours of continuing education for certified athletic trainers.
- LAT: The University of Texas Health Science Center San Antonio School of Medicine (00795) is approved and registered by the Texas State Board for Educator Certification (SBEC) as a continuing medical education provider. Athletic Trainers can receive a maximum of 14.0 continuing education credits as described by the Advisory Board of Athletic Trainers of the Texas Department of State Health.

HOTEL INFORMATION
- A block of rooms has been reserved at the meeting site, the Marriott Plaza San Antonio located at 555 S. Alamo Street San Antonio, Texas. Surrounded by sun-bathed courtyards, sparkling fountains and lush gardens complete with free-roaming peacocks and peacocks, the Marriott Plaza San Antonio hotel provides a resort style oasis of tranquility in the heart of downtown San Antonio. The perfect hotel for your leisure, business or meeting needs. As part of the experience of San Antonio we are surrounded by restaurants like Aztec, Mi Tierra, The Miss Bob’s Café, and the Little Rhine Steakhouse.

PARKING
- Please plan to factor in time to find parking. Guests are responsible for finding an authorized parking space.

REGISTRATION
- Registration includes access to all sessions and workshops, continental breakfast, breaks and lunch, and access to downloadable handouts from UT Health Science Center CME website. Hard copy handouts will NOT be available.
- There is a separate registration fee for the Thursday evening CPR re-certification course. See the registration form for details.

The Office of Continuing Medical Education reserves the right to limit enrollment and cancel any course no less than one week prior to the activity. If such circumstances make this necessary, your registration fee would be refunded in full. If you must cancel your registration, please contact the Office of Continuing Medical Education at (210) 567-4491 or 1-866-601-4484. Refunds will be refunded less a $50 handling charge if notice is received by December 24, 2014. Cancellations received after December 24, 2014 will not be refunded. For additional information, call the Office of Continuing Medical Education at (210) 567-4491 or 1-866-601-4484.
42ND ANNUAL SYMPOSIUM ON SPORTS MEDICINE
JANUARY 22-24, 2015
MARriott PlAzA SAn Antonio
SAn Antonio, texAS

COURSE DESCRIPTION
The course provides a forum for Sports Medicine Specialists to discuss and problems related to preventing, healing and rehabilitating injured athletes. The Symposium topics will include: general sports medicine, head and neck, foot and ankle, injuries in the acutely immobile athlete, upper extremity, rehabilitation and the knee. In addition, there will be special workshops on cutting-edge topics including Rehabilitation Techniques, Cardiac, Screening and Sports Medicine Case Conference. This year’s anatomy dissection demonstration focuses on the shoulder and hand & wrist.

TARGET AUDIENCE
The 42nd Annual Symposium on Sports Medicine is designed for: physicians, physician assistants, physical therapists, nurses, athletic trainers and coaches.

LEARNING OBJECTIVES
• Develop a concept of one’s position on a Sports Medicine team.
• Diagnose commonly occurring injuries and advise athletes regarding their healthcare.
• Initiate logical primary treatment following injuries to athletes.
• Develop logical approaches to the prevention of injury by education and utilization of proper protective equipment.

CPR RECERTIFICATION
A recertification course in cardiopulmonary resuscitation (CPR) will be held on Thursday, January 22, 2015. Please note that this is a recertification course for those who have previously been certified in CPR. Separate registration is required for this workshop which is available for an additional fee. CONTINUING EDUCATION STATEMENTS

CME: The UTHSCSA CME program is approved by the Texas Board of Medical Examiners, the Texas Medical Board, the Texas State Medical Association, and the Texas State Board of Education as a continuing education provider. Athletic Trainers can receive a maximum of 14.0 continuing education credits as described by the Advisory Board of Athletic Trainers of the Texas Department of State Health.

HOTEL INFORMATION

A block of rooms has been reserved at the meeting site, the Marriott Plaza San Antonio located at 555 S. Alamo Street San Antonio, Texas. Surrounded by sunbathed courtyards, sprawling fountains and lush gardens complete with free-roaming peacocks and peacocks, the Marriott Plaza San Antonio hotel provides a resort style oasis of tranquility in the heart of downtown San Antonio, the perfect hotel for your leisure, business or meeting needs. As part of the experience of San Antonio we are surrounded by restaurants like: Azuca, Mi Tierra, The Hash Boys Café, and the Little Rhine Steakhouse.

A block of rooms has been reserved at the special rate of $110 for single and double occupancy. Please be sure to reserve your reservation on or before December 24, 2014.

To receive the specialrate visit, http://cme.uthscsa.edu/sportsmedicine2015.asp or contact (800) 208-5479. When making your phone reservations, please specify that you will be attending the “Sports Medicine Symposium” to qualify for the group rate.

REGISTRATION

REGISTRATION: This registration fee includes access to all sessions and workshops; continental breakfast, breaks and lunch; and access to downloadable handout materials on the UT Health Science Center CME website. Hard copy handouts will NOT be available.

There is a separate registration fee for the Thursday evening CPR recertification course. See the registration form for details.

The Office of Continuing Medical Education reserves the right to limit enrollment and cancel any course no later than one week prior to the activity. If circumstances make this necessary, your registration fee would be refunded in full. If you must cancel, your registration fee will be refunded less a $50 handling charge if notice is received by December 24, 2014. Cancellations received after December 24, 2014 will not be refunded. For additional information, call the Office of Continuing Medical Education at (210) 567-4491 or 1-866-401-4448.

COURSE DESCRIPTION

The course provides a forum for Sports Medicine Specialists to discuss problems and concepts related to preventing, healing and rehabilitating injured athletes. The Symposium topics will include: general sports medicine, head and neck, back and joint, and injuries in the actively immobile athlete, upper extremity, rehabilitation and the knee. In addition, there will be special workshops on cutting-edge topics including Rehabilitation Techniques, Cardio, Screening and Sports Medicine Case Conference. This year’s anatomy dissection demonstrations focus on the Shoulder and Hand & Wrist. 

TARGET AUDIENCE

The 42nd Annual Symposium on Sports Medicine is designed for physicians, physician assistants, physical therapists, nurses, athletic trainers and coaches.

LEARNING OBJECTIVES

• Develop a concept of one’s position on a Sports Medicine Team.
• Diagnose commonly occurring injuries and advise athletes regarding their health care.
• Initiate logical primary treatment following injuries to athletes.
• Develop logical approaches to the prevention of injury by collaboration and utilization of proper protective equipment.

CPR RECERTIFICATION

A secure location outside of the Symposium will be held on Thursday, January 22, 2015. Please note that this is a recertification course for those who have previously been certified in CPR. Separate registration is required for this workshop which is available for an additional fee. See registration form or our Web site http://cme.uthscsa.edu/sportsmedicine2015.asp for details.

PARKING

Please be sure to factor in time to find parking. Guests are responsible for finding an authorized parking space.

REGISTRATION FORM

CEIVERS: All registrations are confirmed in writing. If you do not receive a confirmation within 2 weeks of registering, please contact us at (210) 567-4491 or 1-866-401-4448 or cme@uthscsa.edu.
