43rd Annual Symposium on Sports Medicine
January 21-23, 2016
UT Health Science Center San Antonio

Target Audience
The 43rd Annual Symposium on Sports Medicine is designed for orthopedic surgeons, physicians, physician assistants, physical therapists, nurses, athletic trainers and coaches.

Learning Objectives
• Develop a conceptual view of a one’s position on a Sports Medicine Team.
• Diagnose commonly occurring injuries and advise athletes regarding their treatment.
• Initiate logical primary treatment following injuries to athletes.
• Develop logical approaches to the prevention of injury by condition and utilization of proper protective equipment.

CPR Recertification
A recertification course in cardiopulmonary resuscitation (CPR) will be held on Thursday, January 21, 2016. Please note that if you register for this symposium this is a recertification course for those who have previously been certified in CPR. Separate registration is required for this workshop which is available for an additional fee. See registration form on our Web site: http://cme.uthscsa.edu/sportsmedicine2016.asp for details.

Continuing Education Statements
CME: The UT Health Science Center San Antonio School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The UT Health Science Center San Antonio School of Medicine designates this live activity for a maximum of 14.0 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

FT and PAs: Application has been made to the Texas Physical Therapy Association for continuing education for FTs and PAs.

ATC: The University of Texas Health Science Center San Antonio (P469) is recognized by the Board of Certification, Inc., to offer continuing education for certified athletic trainers. Application has been made for continuing education for ATC.

The 43rd Annual Symposium on Sports Medicine is not a BOC approved BPP Program.

L&D: The University of Texas Health Science Center San Antonio School of Medicine (S0279) is approved and registered by the Texas State Board for Educator Certification (TBECS) as a continuing education provider. Application has been made for continuing education for L&D.

Course Description
The course provides a forum for Sports Medicine Specialists to discuss problems and concepts related to preventing, healing and rehabilitating injured athletes. The Symposium’s topics will include: General sports medicine, head and neck in sports, foot and ankle, the skeletally immature athlete, upper extremity, upper extremity biomechanics and rehabilitation, and the knee. In addition, there will be special workshops on cutting-edge topics including Bioengineers in Rehabilitation, Cardiac Screening and Sports Medicine Case Conference. This year’s anatomy dissection demonstrations focus on the Knee and Foot & Ankle.

Conference Information
– $60 for CPR recertification
– $65 for CPR recertification
– $180 for others
– $200 for others

Payment may be made by check payable to UT Health Science Center San Antonio. A $25 fee will be charged for returned checks.

Online Registration

Hotel Information
– Marriott Plaza San Antonio
– 555 S. Alamo Street
– San Antonio, TX 78205

Parking
– The Marriott Plaza San Antonio offers on-site parking for conference attendees and registered guests with valid parking at a discounted rate. Visitors will be charged $15 per day. Parking is not available for recreational purposes. It is recommended that you park in the designated Marriott Plaza garage. The garage offers self-parking for $15 per day. To receive the special rate visit http://cme.uthscsa.edu/sportsmedicine2016.asp or contact (800) 266-9432. When making your parking reservations, please specify that you will be attending the ‘Sports Medicine Symposium’ to qualify for the group rate.

Registration
– The registration fee includes access for all sessions and workshops, continental breakfast, lunch and lunch and to downloadable handouts from the UT Health Science Center CME website. Hard copy handouts will NOT be available. There is a separate registration fee for the Thursday evening CPR re-certification course. See the registration form for details.

Financial Assistance
– The Office of Continuing Medical Education reserves the right to limit enrollment and cancel any course no less than one week prior to the activity. Should circumstances make this necessary, your registration fee would be refunded in full. If you must cancel, the registration fee will be refunded less a $50 handling charge if notice is received by December 18, 2015. Cancellations received after December 18, 2015 will not be refunded. For additional information, call the Office of Continuing Medical Education at (210) 567-4491 or 1-866-401-4448.
